# Coding and Compliance 2010

## An Update on CPT, ICD9-CM, and HCPCS Changes for 2010

---

Sponsored by the  
**Utah Medical Association**

**Friday, January 8 – Provo**

**Friday, January 15 – Salt Lake City**

**Friday, January 22 – Ogden**

**Friday, February 5 – St. George**

**Friday, February 12 – Moab**

### **Course Overview**

Why did that code change? How should this new code be used? And what are the target areas for investigation next year?

2010 brings some 500 CPT® revisions, deletions, and additions. In order to avoid claim denials and coding errors as well as capture revenue for accurately documented services, it is critical that you keep current on relevant and significant updates to CPT®, ICD-9-CM, and HCPCS.

Join us at one of the *Coding and Compliance 2010* updates as you learn about specific code changes, the rationale behind the change, and the impact these changes will have on your coding practices.

Topics that will be covered in the seminar include the following:

- CPT® and HCPCS update
- ICD-9-CM highlights
- RBRVS update
- OIG work plan
- Office policies & compliance issues

### **Objectives**

After attending this meeting, participants should be able to:

- Cite important CPT®, ICD-9-CM, and HCPCS coding changes for 2010
- Describe how to use new codes
- Identify OIG target areas for investigation
- Implement office policies and procedures to ensure compliance with fraud and abuse regulations and statutes

### **Target Audience**

This course is designed for provider billing and coding staff, physicians, physician assistants, nurse practitioners, and office administrators/managers who have some knowledge of coding and compliance issues. Although E&M topics will be discussed, *this is not an E&M Basics course.*

## **Faculty**

*Nancy Reading, RN, BS, CPC, CPC-I* has been involved in coding since 1991. She is currently the CEO of CedarEdge Medical LLC. She also works as a CDIP RN for the HIM department at the University of Utah and previously was the staff and provider educator for the University Medical Billing office. She has served as staff for AAPC and as a member of the AAPC National Advisory Board. She has traveled locally and internationally, speaking extensively on coding and reimbursement issues. Nancy has been published in *ADVANCE*, *The Coding Edge*, *Conomikes Medicare Hotline*, and *For the Record*. She is a member of the UMA Third Party Relations Committee.

**Faculty Disclosure:** Ms. Reading has no financial relationships with a commercial entity producing healthcare related products and/or services.

## **Continuing Medical Education**

The Utah Medical Association is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The UMA designates this educational activity for a maximum of 6.5 AMA *PRA Category 1 Credits*™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## **Continuing Education Units**

This program has the prior approval of the American Academy of Professional Coders for 6.0 Continuing Education Units. Granting of this approval in no way constitutes endorsement by the Academy of the program content or the program sponsor.

## **Registration Information**

The regular fee for UMA members/staff, UMGMA members, and community health center staff is \$159. **An early bird fee of \$139 will apply if registration is received by the date noted on the registration form.** The non-member fee is \$259. To encourage physician attendance, a special team registration fee of \$209 will be offered for a UMA physician and one staff person from the same office. Other discounts will be given for multiple attendees from a single practice; for further information, please call (801) 747-3500 or email [jackie@utahmed.org](mailto:jackie@utahmed.org). The registration fee includes all seminar materials, continental breakfast, and lunch.

A minimum of 20 people is needed for each seminar. The UMA will return any pre-payments if the target registration is not met.

A fee of \$25 will be charged for cancellations. No refunds will be issued within two weeks of the seminar. A registrant may substitute another person at no charge if the original registrant is unable to attend.

Please complete a registration form for each person attending the workshop. Registration forms may be faxed to (801) 747-3501.

## **Your Input Requested**

*Coding and Compliance 2010* is designed with your coding needs in mind. If a topic you wish discussed is not on the agenda, contact the UMA and we will do our best to include it.
